

NWEA/LCMS Products and Services Information

2024-2025 School Year

Thank you for allowing us to collaborate with you to help the students in your school learn and grow. Below is information that will help you plan your product use for the coming school year.

Product	Grade Levels	Cost (Per Student)
MAP Growth (Reading/Math/Language Usage)	K-12	\$13.50
MAP Growth Science	2 nd -12 th	\$2.75
MAP Reading Fluency	PK-5th	\$7

MAP Growth (K-12)

Administer MAP® Growth™ interim assessments in Math, Reading, and Language Usage up to three times a year to get an accurate view of how each student has grown over time and what students are ready to learn—so you can plan lessons and group students for instruction.

Want more information? Please visit [MAP Growth - NWEA](#) or ask your account manager for more information.

To Get Started: Onboarding and Professional Learning are required for new MAP Growth Users.

MAP Growth Science (2-12)

MAP® Growth™ Science aligned to Next Generation Science Standards or your state standards that provide valuable data for teachers on the science knowledge students possess and can be given up to three times a year to get accurate view of growth over time.

To Get Started: No Onboarding or Professional Learning required for MAP Growth Science.

MAP Reading Fluency (PK-5)

Quickly and accurately assess your pre-K–5 readers. MAP® Reading Fluency™ enables teachers to efficiently measure oral reading fluency with an online, adaptive benchmark and progress monitoring assessment. In addition to fluency, the test measures foundational skills and literal comprehension—all with one 20-minute benchmark assessment. Group testing and automatic scoring return valuable time to teachers.

Dyslexia Screener for grades K-3 is also included.

Want more information? Please visit [MAP Reading Fluency - NWEA](#) or ask your account manager for more information.

To Get Started: First time users will be required to purchase professional learning and work with a Partner Success Manager to learn how to administer the assessment. Professional learning and onboarding must be scheduled and completed before you will be ready to use MAP Reading Fluency.

Professional Learning

Please contact your NWEA Account Manager for all [Professional Learning](#) options. NWEA offers a variety of learning opportunities ranging from on-demand training, 1-hour virtual sessions, to full day onsite workshops.

Please reach out with any questions regarding the resources or renewal. Contact information is below.
