

Supporting the Faith Formation of My Students

(Your full name)

**Include the date that you will accomplish these things and add them to your calendar and lesson planner to be intentional.*

I will include the following symbols in my classroom and teach the students the meaning:

I will implement the following service opportunities for my children/families this year:

I will create and observe the following faith-filled ceremonies, rituals, and traditions for my classroom:

I will attend and invite the students and families to the following fellowship and hospitality opportunities in my classroom and on campus:

The following is my faith story, which I will share with the children and families each year:

I will invite the following people to share their gifts and their faith story as part of multigenerational outreach:

I will share the benefits of worship with the children and families and invite them to worship at our church. If I cannot attend, I will introduce them to the following church members to ensure they feel welcome:

I will intentionally add Jesus to my caregiving routines and daily conversations. Here are some ways I will be intentional about doing it until it becomes a habit:

I have reviewed and am committed to the mission of my church and school, my S.M.A.R.T. goals to stay in God's Word and share His Word with the children and families in my classroom, celebrating and encouraging the gift of Baptism, and integrating God's Word and worship throughout my classroom and day.
